A STUDY OF A SELECTION OF RUDOLF STEINER'S LEADING THOUGHTS

This study is intended as a preparation for the February youth conference which will take place at the Goetheanum, which is focused on **technology and spirituality**, and as a preparation for the 2024 co-workers' gathering. We intend to work with the theme throughout the coming year in different ways.

If you are interested in exploring questions around this topic and want to join us for the study group, **please contact us at: mail@youthsection.org**

Our **first meeting** will be on **October 17**.
We hope to see you there!
