

# YOUTH SECTION CO-WORKERS' GATHERING 2024

MAY, 26TH - 29TH, 2024 - THE NETHERLANDS

# AN OVERVIEW OF THE PROGRAM

The event starts on **Sunday the 26th at 9:00 AM.**

It will end on **Wednesday the 29th at 3:00 PM.**

## FOCUS SESSIONS

This year, there are three main pillars that will be at the center of our work:

- Digital Technology and Spirituality;
- Questions around higher education, youth programs, seminars, and colleges working with Anthroposophy;
- The celebration of the 100th anniversary of the founding of the Youth Section.\*

Contributions will be given related to these various topics.

## SINGING / MOVEMENT / ART

Following the enthusiasm we got from singing together at last year's gathering and carrying on with the songbook project, singing will be an essential element of our event!

In addition, movement and an artistic project will also be present in our program.

## GLOBAL PERSPECTIVES

The purpose of these sessions is to get a glimpse into each youth group or initiative in the context of the above-mentioned themes and to have an exchange around them. This is a space to hear about one another's challenges, achievements, and work.

## FUTURE SESSIONS

These are some of the areas we will be focusing on, as a follow-up to last year's event, and to renew our commitments towards future work.

## COOKING / CLEANING / FARMING / FREE INITIATIVE

Never underestimate kitchen chats! These will also serve as an opportunity to get to know each other better. We will have rotating teams to help prepare delicious meals, and also with cleaning, both essential for our well-being!

We may participate in some farm activities, as well as have "free" time to socialize, play games, make music, or take some time to rest.

\*Maria Röschl-Lehrs was the first leader of the Youth Section. We will be working with a number of articles she wrote. These will be attached in the next email.
