We want to extend our gratitude
on behalf of all those who have benefitted
from the gifts of the countless individuals
producing and distributing the work of Rudolf Steiner:

To all the publishers, librarians, archivists, booksellers,
editors, translators, proofreaders, administrative and support staffs,
and everyone else involved in this work!

THANK YOU!

You have made reading the works of Rudolf Steiner possible!

We hope this document will be one small way to make your significant contributions better known throughout the world!

Unfortunatly, we were not yet able to incorporate all contributions into this current version of the list,
but all contributions will be included in future versions!!
