Hidden Elements of the Case Studies

A continued celebration of Steiner and Wegman's
Book "Fundamentals of Therapy"

Bild: Jennifer Thomson, U.S.

Three online teaching presentations, moderated by Adam Blanning, will be paired with guest presenters and interdisciplinary small group discussions about the cases.

Anyone who is working with patients is welcome to take part!

The main meeting language will be English, with simultaneous translation into Spanish and Mandarin (details see below).

Saturday, 4 April / Sunday, 5 April

Special Focus on Curative Education, Case #4

with Jan Goeschel, Leader of the Section for Inclusive Social Development

Saturday, 6 June / Sunday, 7 June

An Almost Forgotten Remedy — What are the Special Qualities of Melilotus? Case #3
with Christoph von Dach, Nurse

Saturday, 24 October / Sunday, 25 October

How Can These Cases Inspire our Work Today? A World Conversation Where We Share Our Idea (Plus Some Fairy Tales)

Each lesson will be offered twice:

You choose which timing works best for you. Both sessions will use the same zoom link:
